## Looking for a more affordable way to remodel your home?

Make **Tipton Woods Designs** your first contact!

Did you know your home remodeling plans are most often designed and drawn by a draftsman? Choosing an architect is the right decision for some jobs, but when redesigning your home, your budget may be happier with an experienced draftsman.

- Residential
- Commercial
- Retail/Restaurant
- CAD Conversion
- Printing and delivery
- 3D Services

*"If you're looking for a business that will work its tail off for you and get the results you want then you've come to the right place. Owner is a great guy--passionate about the work he does. You can trust that he will do an awesome job for you. I highly recommend."*

E.W. (private client)

**Tipton Woods Designs** has the knowledge, technology, and networking to take your remodel job from the drawing board all the way to the finished product.
